10:00am Worship in the Sanctuary and Online
11:00am FPC Youth Pancake Brunch Fundraiser
11:15am Deacons Meeting

Following worship this morning, our high school students who are participating in the Summer 2026 Appalachian Immersion trip will host a brunch fundraiser in Andersen Hall. Proceeds will help provide scholarships for youth and cover costs for adult volunteer chaperones. This Christ-centered immersion experience will invite our youth to serve, learn, worship, and build relationships in rural Kentucky – an often misunderstood region – while growing in humility, compassion, and a deeper understanding of what it means to love our neighbors well. Come eat pancakes and show your support!

Fairmount Music Ministries

Music Notes: This morning we hear music by American composers. As we move through Pride Month, Ned Rorem (1923-2022) was openly gay at a time when most gay artists remained closeted. He lived with his lifelong partner James Holmes for over 30 years. "A Quaker Reader" was commissioned in 1976, and is inspired by his Quaker upbringing. "There Is A Spirit That Delights To Do No Evil" is from the dying words of James Nayler who perished in London (1660) the same year as Mary Dyer in Boston.

The Summer Choir sings for worship next Sunday, June 21st (the first day of summer) with a rehearsal at 9:20am followed by worship at 10:00am. Shower singers and seasoned singers welcome.

The Baltimore Children's Chorus will be in concert at Fairmount on Wednesday, July 1st at 7:00pm. The choir will be singing music of Bach, musical theatre selections, gospel music, and folk songs. Free-will offering to support the choir.

The Spirituals Project- The Spirituals Project--Fairmount has launched a year-long project, following in the steps of other churches, of collecting reparations for spirituals used by composers in modern day arrangements for sale to schools, churches, and community groups. Funds raised will support local black musicians. See the bulletin board outside the sanctuary for details on Quarter 1 donations raised. Quarter 2 funds raised support the **Karamu House**. Founded in 1915, it is the oldest producing African-American theater in the United States. Scan the QR code to make a donation.

Fairmount Happenings

Income Inequality With David Lay Williams - June 24th, 6:30pm at the Community of St. Peter

The Community of St. Peter *Informed Voter Series* continues on June 24th at 6:30pm with a presentation on income inequality by David Lay Williams of DePaul University. According to the Federal Reserve, America's top 1% held 32% of total U.S. wealth in late 2025, while the bottom 50% held just 2.5%, highlighting a dramatic decline in economic equality since 1965. Dr. Williams, author of *The Greatest of All Plagues*, will explore how economic inequality has shaped political philosophy throughout history and why it remains one of society's most pressing challenges. The event will take place at the Community of St. Peter located at 7100 Euclid Avenue, Suite 125. RSVP at communityofstpeter.org/events.

North Church July Picnic Lunch

As a tangible expression of faith and to share the love of Christ, we invite you to volunteer for the July Picnic Lunch at North Presbyterian Church on Sunday, July 5th at 11:30am. How to help: you can prepare food, serve food or both. We plan for 50 guests from the Men and Women Shelters. *We seek to see the least of these as beloved children of God.* By volunteering you are directly supporting Fairmount Church mission outreach and our neighbors in need. Together we can make a difference. Our Picnic menu includes beef and turkey hot dogs, buns, potato salad, macaroni salad, baked beans, watermelon, brownies, lemonade and water. If you are interested in volunteering contact Jerry Parker or Donna Sens.

Summer Building Holiday Closures

As we celebrate and observe the upcoming summer holidays, please note that the Fairmount Church offices will be closed on **Friday, June 19th** in observance of **Juneteenth**. For the **Independence Day** holiday, the church offices will close at **1:00pm on Friday, July 3**, and also be closed on **Monday, July 6**. We wish everyone a safe, relaxing, and enjoyable holiday season!

“Let There Be Light... and Lower Electric Bills.

- **Year to date, Fairmount’s solar panel system has helped our church avoid over \$3,000 of electricity cost compared to 2025.**
- **Last month, our system generated 6090KwH of solar electricity for the May billing period, with 4774KwH of solar electricity used immediately on site.**

Lifetime, our system has generated enough power to drive 72,500 miles. That equals nearly 14 car trips between Bangor, Maine and Anchorage, Alaska! Thank you to everyone who helped make this project possible as we continue being faithful stewards of both our church resources and God’s Creation.

A Note from the Earth Stewards:

Did you know that those old broken **crayons** could be turned into brand new crayons for children in hospitals across the country? Or that those old broken strings of **Christmas** lights could be recycled to benefit lions and cheetahs in Tanzania? The Fairmount **Earth Stewards** are collecting these as well as unused greeting cards, old CD's, used pill bottles, used batteries, ink cartridges, etc. Keeping items out of landfills can decrease climate warming methane gas release and conserve raw materials. A stack of drawers for collecting the items is located in the church office, with information about where the items go.
