10:00am Worship in the Sanctuary and Online

Fairmount Music Ministries

The Baltimore Children's Chorus will be in concert at Fairmount on Wednesday, July 1st at 7:00pm. The choir will be singing music of Bach, musical theatre selections, gospel music, and folk songs. Free-will offering to support the choir.

Spirituals Project 2nd Quarter Update: As we near the end of the 2nd quarter, we have sung 7 Negro Spirituals during worship and we have raised \$1,255 that will support the Karumu House in Cleveland. Founded in 1915, it is the oldest producing African-American theater in the United States. Two more Sunday's remain to contribute to this project for the 2nd quarter. Soon we will announce what 3rd quarter monies will support. Complete details can be found on the bulletin board outside the sanctuary. Thank you for your support.

North Church July Picnic Lunch

As a tangible expression of faith and to share the love of Christ, we invite you to volunteer for the July Picnic Lunch at North Presbyterian Church on Sunday, July 5th at 11:30am. How to help: you can prepare food, serve food or both. We plan for 50 guests from the Men and Women Shelters. *We seek to see the least of these as beloved children of God.* By volunteering you are directly supporting Fairmount Church mission outreach and our neighbors in need. Together we can make a difference. Our Picnic menu includes beef and turkey hot dogs, buns, potato salad, macaroni salad, baked beans, watermelon, brownies, lemonade and water. If you are interested in volunteering contact Jerry Parker or Donna Sens.

Support the Youth at the Juvenile Justice Center and Their Families

Thanks to Judge Anne C. McDonough, a new Community Closet outside her courtroom at the Juvenile Justice Center welcomes donations of clothing and books for youth in detention and their families. Please bring clothing in good condition for youth and adults, especially dark trousers (not jeans), and collared long-sleeve shirts in dark solid colors, and books for teens and children to the box in Andersen Hall. For any questions, contact Mary Giffin, marygiffin@att.net, marygiffin@att.net.

A Note from the Earth Stewards:

Did you know that those old broken **crayons** could be turned into brand new crayons for children in hospitals across the country? Or that those old broken strings of **Christmas** lights could be recycled to benefit lions and cheetahs in Tanzania? The Fairmount **Earth Stewards** are collecting these as well as unused greeting cards, old CD's, used pill bottles, used batteries, ink cartridges, etc. Keeping items out of landfills can decrease climate warming methane gas release and conserve raw materials. A stack of drawers for collecting the items is located in the church office, with information about where the items go.
